It has been noticed that such unknown persons have made fraudulent account(s), specifically mentioned in **Annexure A** below, where forged and fabricated documents have been uploaded with the view to cheat the general public and to lure them to invest money, promising attractive returns.

Please note this is entirely a fraudulent activity and by using Groww logo and group company names including that of Nextbillion Technology Private Limited, these persons are trying to mislead the public to part with their hard-earned money by promising attractive returns.
